 **DELPHIA 800 ESCAPE**

8000 ESCAPE

Ever since 1990 we have been doing what we love the most: building yachts. Using cutting-edge technologies and employing some of the finest specialists in the country and beyond, we build our yachts to the highest standards of quality, with utmost attention to safety and perfection in every detail.

Every yacht is subjected to the most scrupulous examination from stem to stern to ensure total quality management throughout the entire production process.

Delphia Yachts proudly holds ISO 9001 and subjects all its construction procedures to the supervision of the Polish Register of Shipping and Germanischer Lloyd.

Welcome on board - Delphia Yachts!

The Delphia 800 ESCAPE

Delphia Escape 800 is a continuation of the previous two models - Delphia Escape 1050 and Delphia Escape 1350. This time NEW MODEL will meet the following conditions:

- Weight is designed to enable transportation of boats on the biaxial trailer boats (about 2 200 kg.)
- Width will allow transportation without additional permits (2, 90 m)
- The possibility of the engine stationary or trailer - possibly both.
- The amount standing in the cockpit and wheelhouse lounge
- Two double cabins plus sleeping in the living room dinieta
- The possibility of wide window on the right side of the table
- Standard laminated bathroom with shower fitting and the use of toilet tank.
- Draft of 45 cm and the engine lifted from the trailer will allow the rudder to the stern mooring rollways.
