

HUNTER 23

Only Hunter Marine Can Offer You A New Hunter 23, Outboard Motor And Galvanized Trailer For One Low Affordable Price!

"Easy to Step"

Finally, someone has solved the problem of an affordable, trailerable sailboat. Hunter Marine!

Like all Hunter boats, the new Hunter 23 has been built with a "Commitment to Better Engineering", proof is shown in the spacious cabin area for a 23 and the new "Winged Keel" design for better performance.

Your new Hunter 23 comes complete, ready for the Oceans or your favorite lake. As with all Hunter boats, the new Hunter 23 comes with Cruise-Pac[®], all the essential items you need to set sail immediately.

You receive Dacron sails; main and 100% genoa, winches, internal halyards, inboard sheeting, mainsheet traveler and an aluminum mast and boom.

Your new Hunter 23 also comes with a bow pulpit, lifelines, cleats, teak handrails and an opening sea hood.

Below decks there's a portable head, sink and stove, along with a folding dinette

table and plenty of room for four crew members and their gear.

You also receive anchor and line, life jackets, a signal horn and many other items too numerous to mention in this limited space.

After your purchase and you're ready for the open waters, you'll find that stepping the mast is a clean and easy operation. All the lines you need are there and easily attached so that the mast goes up quickly and you're ready to set sail.

If you've been hesitant about buying a trailerable sailboat because of the additional purchases like a motor and trailer, Hunter Marine has solved that problem.

The new Hunter 23... the only "Complete" trailerable sailboat on the market today!

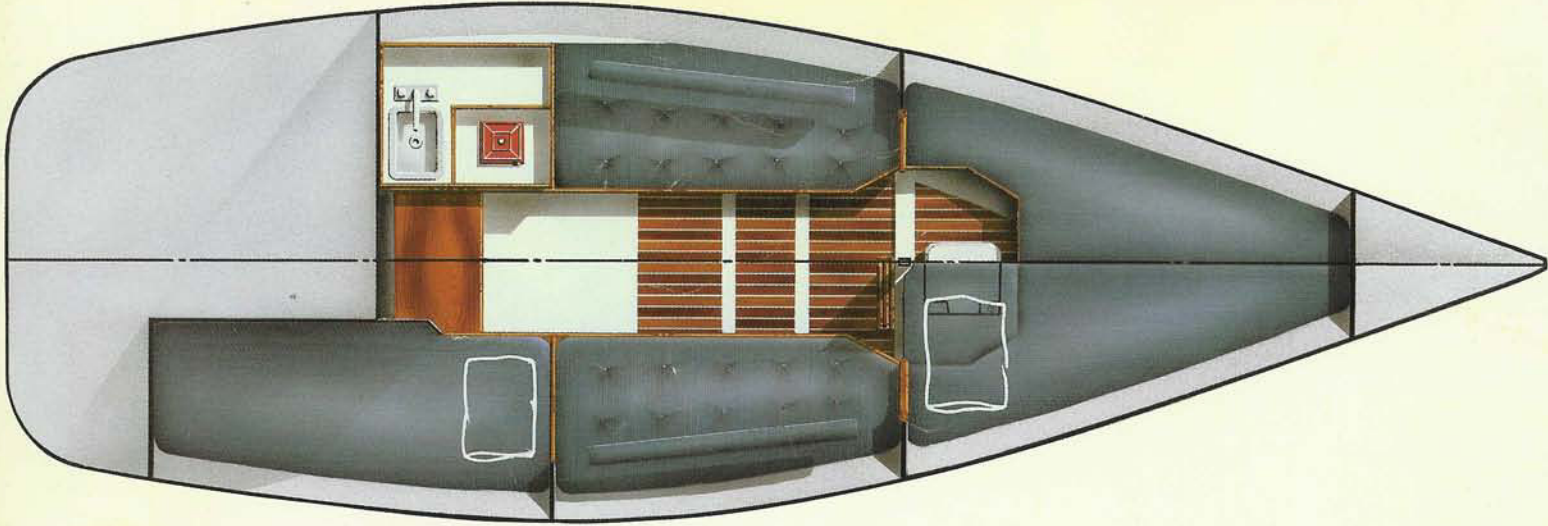

Don't waste another minute! Call 1-904-462-3077 for the name and location of your nearest Hunter Marine Dealer and see for yourself why Hunter Marine is your best buy today and tomorrow.

Sailing is one of America's fastest growing sports, Hunter Marine has just made it affordable.
